25X1 14. [ ] Briefed Bill Woodruff, Counsel, Senate Appropriations Committee, on a number of current intelligence items, and he asked that I pass a message to Colonel White from Senator Russell regarding the use of Agency funds in Indochina. (See Memorandum for the Record for details.)

I also delivered to Woodruff the Director's letter transmitting a copy of his communication to Mr. Mahon on the status of our Contingency Reserve as of 30 June 1970.

25X1 15. [ ] Met with Mr. Ralph Preston, on the staff of the House Appropriations Committee, and left with him the Director's letter to Representative Mahon in response to his earlier request for a statement as to the balance of our Contingency Reserve as of 30 June 1970. Preston and I talked about funding of programs in Indochina and I suggested that I have John Clarke come up and brief him on Agency aspects of this next week.

25X1 25X1A 16. [ ] Accompanied [ ] to a briefing of Representative Ogden R. Reid (R., N. Y.), on the situation in the Middle East. It was necessary for Mr. Reid to interrupt the briefing several times for roll call votes in the House, but he was most appreciative of [ ] efforts.

25X1 25X1A 17. [ ] Met with Edward Braswell, on the staff of the Senate Armed Services Committee, and briefed him on our most recent information on Soviet ICBM sites. Braswell mentioned that he thought Senator Stennis would like to have a briefing of the full Armed Services Committee sometime next week on Soviet weaponry in anticipation of the ABM debate in the Senate. Braswell asked if I thought the Director would object to a briefing of the full Committee. I told him I was fairly certain the Director would have no difficulty in giving the full Committee at least the conclusions, although he might not want to go into much detail regarding sources. I added, however, that a briefing of the full Committee would not satisfy our desire to meet with the CIA Subcommittee.
